

Propane forklifts. It's like giving your business a 50¢-per-gallon raise.

You know how powerful propane forklifts are. They work longer. Burn clean. And they perform indoors or out, inclines or declines, rain or shine. Plus, through the Safe, Accountable, Flexible and Efficient Transportation Act of 2005, you may be eligible for a 50¢-per-gallon tax credit. Which means that not only will your propane forklift help the environment, it'll help your bottom line. To learn more visit usepropane.com/fuelcredit.
